ISSF Record & PVR
CM 7.2 Delisted / Re-listed Vessels

The following tables cover large-scale purse seine vessels that have been delisted from the Proactive Vessel Register (PVR) and the Large-scale Purse Seine Record, due to non-compliance with ISSF Capacity Conservation Measures (Section 6).[1] The tables also cover vessels that have subsequently been re-listed following their demonstration of compliance with the capacity conservation measures.

** The Azteca 7 (IMO# 8111362) was not relisted because its capacity was used to allow for the El Duque to be registered on the Record of Large-Scale Purse Seine Vessels (the Record). There is another vessel named Azteca 7 (IMO# 7823396) belonging to Pesca Azteca. This vessel was previously named Capt. MJ Souza and was on the Record and the PVR, so did not need to go through the relisting procedure.*
